

Our plans

**A place of inspiration,
confidence and
self-expression.**

Our goals

To revitalise the Packer Theatre, build a state-of-the-art Music School and an elevated performance precinct. We will unlock the full potential of our innovative and progressive performing arts programs that inspire the artistic and creativity of every student at Ascham.

We are building a new Music School and enhanced performance precinct.

Works include:

Stage 1

- New build with classrooms fronting Glenrock Gardens
- Up to three levels of purpose-built Music classrooms
- Auditorium/rehearsal hall extending into the hill behind
- Breakout spaces to foster creative development
- Collaborative performance spaces
- Increased capacity of the Packer Theatre
- Acoustically engineered class and practice rooms
- Industry-standard equipment storage facilities

Stage 2

A new Music School connected to the Packer Theatre involving rebuild of the Packer Theatre foyer as a two-storey space with upper-level internal connection into the Music Building.
