

Our plans

Experimentation, collaboration, risk-taking and exploration of ideas.

Our goals

To inspire the journey of our creative and artistic students, we will embrace cutting-edge approaches, technologies and ideas within a nurturing and dynamic environment. This will foster and cultivate a community of talented and visionary creatives who are empowered to shape the future and drive transformative change.

We are building an Arts and Innovation precinct at 45 Darling Point Road. Works include:

Stage 1

Demolishing and excavating for basement parking.

Stage 2

Building a contemporary Arts and Innovation precinct to replace all existing teaching and back-of-house facilities currently under Ascham Tennis Courts.
